### Demonstration and Loan Inventory

Communication Pathway's Demonstration and Loan is designed to increase accessibility to and awareness of Assistive Technology while providing learning opportunities to support informed decision-making. Through the process of Demonstration and Loan followed by an Evaluation, Funding Support and Training, Communication Pathways supports every step of Assistive Technology decision-making, acquisition and implementation.

To request a Demonstration, Loan or to learn more about the Assistive Technology services provided by Communication Pathways, please contact Linda Bonnar, MA, CCC-SLP, ATP at (207) 443-3341 or [lbonnar@pinetreesociety.org](mailto:lbonnar@pinetreesociety.org).
