

**MORE THAN JUST ANOTHER SUMMER JOB...**

# Pine Tree Camp

*“Working at Pine Tree Camp has been very challenging, but the most rewarding experience of my life.”*

**What is Pine Tree Camp?** Pine Tree Camp, a program of Pine Tree Society, is an extraordinary summer camp for children and adults with physical and/or developmental disabilities. Located on North Pond in beautiful Rome, Maine, Pine Tree Camp has adapted its entire facility to meet the special needs of campers.

Our staff shares a commitment to ensure that each individual camper is able to experience new activities in a safe, caring, barrier free environment. Through activities including adaptive kayaking, outdoor games, hiking on accessible nature trails, swimming, boating and fishing, campers grow and increase their sense of success and self-esteem.

**A unique professional development opportunity.** For students focused on careers in education, health care and therapies, Pine Tree Camp provides a one-of-a-kind opportunity for hands-on professional development. It's a challenging job, but the rewards, both personally and professionally, are priceless.

Counselors live with campers and are responsible for assisting in personal care activities. In addition to ensuring a challenging, fun and safe environment for campers, counselors are expected to be leaders, coaches and resources for their fellow staff members. Counselors receive extensive on-going training, generous breaks and competitive pay.

**To apply:** Applications may be downloaded at [www.pinetreesociety.org](http://www.pinetreesociety.org) or send resume and cover letter to:
